Members of the House of Representatives:

I am pleased to send you the preliminary end-of-session report prepared by the committee staff of the House of Representatives. This "Summary of Legislation Passed by the Washington State Legislature" summarizes all of the bills that passed the Legislature during the 2003 Regular Session.

A final report will be distributed after the special session and will include information regarding any bills that have been vetoed, or partially vetoed, by the Governor. Budget information will also be available at that time.

If you have any questions about this report or the issues raised during the session, please feel free to call committee staff. For your convenience, a committee phone list is provided on the inside cover of the report.

Please don't hesitate to call me if you have comments or if I can be of any assistance. I can be reached at (360) 786-7102.

Sincerely,

Ken Conte
Staff Director

Summary of Legislation

This report includes all House and Senate bills that passed the Legislature. The bills are listed according to the House Committee to which they were initially referred. If a bill was not referred to a House Committee, the bill is included in the list for the committee to which the bill likely would have been referred. A numerical index is included in the back of the report that lists bills by number.

**Key to
"Sine Die Status"
Column**

The "Sine Die Status" column indicates the status of the bill as of Sine Die, including whether the bill was vetoed or partially vetoed by the Governor.

Abbreviations in the column include:

C 55 L 03	Chapter 55, Laws of 2003. This is where the bill will be found in the <u>Session Laws of the State of Washington</u> , which is compiled annually.
Del to Gov	Delivered to the Governor.
Filed Sec/St	Filed with the Secretary of State.
Gov Vetoed	The bill was vetoed by the Governor.
H Rules 3C	The bill is on the Rules Consideration list for third reading in the House of Representatives.
H Rules C	The bill is on the Rules Consideration list for second reading in the House of Representatives.
H Rules R	The bill is on the Rules Review list for second reading in the House of Representatives.
Null and Void	The bill included a provision that required the bill be specifically included in the operating budget or it would be "null and void." These bills were not included in the operating budget and are therefore null and void.
Partial Veto	One or more sections of the bill were vetoed by the Governor.
S Rules 3	The bill passed to Rules committee for third reading in the Senate.
S Veto Override	The Governor's Veto was overridden in the Senate.

Allows the northern portion containing two subbasins to be eligible for one-fourth of the grant monies available for conducting planning in a single WRIA, and allows the remaining portion of the WRIA to be eligible for the remaining three-fourths of those monies.	Del to Gov
SSB 5575	Parlette, Morton, Doumit	Concerning Small Irrigation Impoundments - Exempts facilities that recapture and reuse return flow from irrigation operations serving a single farm and certain other small irrigation impoundments from the reservoir and secondary use permit requirements of the water code.	Del to Gov
SSB 5751	Hargrove	Concerning the Sale of Valuable Material from State Lands - Changes the maximum dollar amount for directly sold valuable materials from \$20,000 to \$25,000. Enlarges the \$100,000 cap for valuable material sales that are eligible for the alternative notice to \$250,000, and allows valuable material sales that are appraised at less than \$250,000 to be excluded from the Department of Natural Resources' pamphlet of sales.	Del to Gov

BILL NO.	PRIME SPONSORS	SUMMARY	SINE DIE STATUS
SSB 5787	Morton, Prentice, Hale	Protecting Water Quality - Allows the Department of Ecology (DOE) to require the use of leaching tests included in the Model Toxics Control Act (MTCA) soil clean-up rules for water quality certifications to assess the potential impact to water quality from the importation of fill material. Ratifies and approves any requirement for use of a leaching test included in the MTCA rules in a water quality certification for work not completed by June 1, 2003. Requires the DOE to identify and assess the effectiveness of the leaching tests used for evaluating potential water quality impacts from fill material importation and to report the results of the assessment to the Legislature. Includes an emergency clause for the provisions to take effect immediately.	Del to Gov
ESSB 5889	Swecker, Rasmussen	Concerning a Livestock Nutrient Management Program - Transfers the dairy nutrient management program to the Department of Agriculture (WSDA). Authorizes the Department of Ecology (DOE) to delegate its water quality authority regarding animal feeding operations (AFOs) and concentrated animal feeding operations (CAFOs) to the WSDA. Preserves the DOE's authority to issue water quality permits and take action regarding AFOs and CAFOs after program transfer unless the DOE delegates its federal Clean Water Act authority to the WSDA and until the delegation receives federal approval. Includes provisions for development of a livestock nutrient management program based on delegated authority. Establishes a committee to evaluate the federal CAFO rules and make recommendations regarding statutory changes and program development and implementation. Allows agency discretion in imposing penalties for failure to meet plan approval and certification deadlines if failure is due to a lack of state funding. Replaces the Dairy Waste Management Account with the Livestock Nutrient Management Account.	Del to Gov
SSB 5891	Swecker, Rasmussen	Identifying Livestock - Broadens the nature of "livestock identification" to include expressly the examination of documents regarding ownership. Increases the fees charged under the livestock identification, certified feed lot, and public livestock market laws and alters the period during which a recorded brand is valid. Identifies the evidence of ownership that must accompany cattle or horses when they are moved, and provides exemptions to this requirement. Requires certain information regarding the operation of certified feed lots. Alters requirements for public livestock market licenses and the information to be contained in applications for such licenses. Eliminates the requirement that a veterinarian at a public livestock market be a deputy State Veterinarian. Alters who must and who may receive "special sales" permits.	Del to Gov

SSB 5912	Mulliken, Haugen, Sheahan	Creating the Produce Railcar Pool - Establishes a railcar program within the Department of Transportation for perishable commodities.	Del to Gov
SB 5937	Parlette, Jacobsen, Haugen	Adding to the Scenic and Recreational Highway System - Designates the US 97 Scenic Byway and the Palouse Country Scenic Byway as State Scenic Byways.	C 55 L 03
SSB 5974	Benton, Haugen, Horn	Exercising Sound Business Practices to Enhance Revenues for Washington State Ferries - Provides the Washington State Ferry system greater flexibility in generating revenue and directs the additional revenue to be used to offset on-going operating costs.	Del to Gov
SB 5989	Haugen, Horn, Jacobsen	Representing Pilots on the Board of Pilotage Commissioners - Allows one pilot representative to be from either the Grays Harbor pilotage district or the Puget Sound pilotage district.	C 58 L 03
SB 6056	Haugen, Horn	Adjusting Fees, Taxes, and Penalties for Pilots and Aircraft - Adjusts fees, taxes, and penalties for pilots and aircrafts which set the pilot, airmen, and airwomen annual registration fees at \$15 with the \$7 increase for the 2003-05 biennium going to the Aeronautics Account to be used solely for airport maintenance with all of the \$15 going to the Aircraft Search and Rescue Safety and Education beginning on July 1, 2005. Sets annual aircraft registration fees at \$15. Fixes the aircraft fuel tax at a fixed rate of 10 cents per gallon and repeals the provision that required that the fuel tax rate calculation be based on fuel prices. Requires the Department of Transportation to be notified of a change in ownership of a registered aircraft within 30 days, and requires an aircraft owner to show proof of registration before an airport may lease or sell tiedown or hanger space to them. Establishes civil penalties for failure to register as a pilot or register an aircraft.	Del to Gov
ESB 6062	Horn, Haugen, Swecker	Authorizing Bonds for Transportation Funding -Authorizes \$2.6 billion in General Obligation (GO) bonds for transportation, backed by fuel taxes and the full credit of the state. Authorizes \$350 million in GO bonds backed by the Multimodal Transportation Account and the full credit of the state but exempts them from the statutory debt limit. Authorizes the Seattle Monorail Authority to sell bonds with covenants that maintain taxes to retire bonds even if monorail authority is dissolved.	Del to Gov

BILL NO.	PRIME SPONSORS	SUMMARY	SINE DIE STATUS
ESSB 6072	Horn, Haugen	Funding Pollution Abatement and Response - Funds Pollution Abatement and Response through vehicle transfer fees with 58.12 percent being credited to the Air Pollution Control Account, 15.71 percent being credited to the newly created Vessel Response Account and the remaining being credited to the Transportation 2003 Account. Deposits all of the fee into the Transportation 2003 Account beginning July 1, 2008. Specifies that 85 percent of the fees going into the Air Pollution Control Account be used to retrofit school buses with exhaust emission control devices, establishes fueling infrastructures to allow buses to use cleaner fuels, and requires that 15 percent of the fees go to cleaning up air pollution. Specifies that the 2003-05 appropriation provided in the bill for these purposes is \$10 million. Specifies that the funds in the Vessel Response Account be used for a dedicated rescue tug at the Strait of Juan de Fuca with a 2003-05 appropriation of \$2.876 million.	Del to Gov
ESSB 6074	Horn, Haugen, Swecker	Making Technical Changes to Passenger-only Ferry Service Statutes - Clarifies labor provisions and rents for state ferry facilities, as related to passenger-only ferry service, that they apply equally to public transportation benefit areas and county ferry districts. Exempts certain private passenger ferry vessels from expanded financial responsibility limits.	C 91 L 03
